

**Program of the Workshop on “POMs in biology and POM amphiphiles”
4 June 2015, Chemistry Department, KU Leuven, Celestijnenlaan 200 F,
room 02.01, 2nd floor**

- 9:30-9:40 Welcome, John Errington (Newcastle University, Coordinator of the PoCheMonN action)
- 9:40-9:50 Lee Cronin (University of Glasgow) State-of-art in the areas of POM amphiphiles
- 9:55-10:05 T. Parac-Vogt (KU Leuven) State-of-art in the areas of POMs in biology

POMs in Biology

- 10:05-10:20 Uli Kortz, Jacobs University, Bremen
- 10:20-10:35 Amir Blazevic, Vienna University
- 10:35-10:50 D. Krstic/ M. Colovic, University of Belgrade
- 10:50-11:05 Lee Cronin group, University of Glasgow
- 11:05-11:20 Annelies Sap, KU Leuven

POM Amphiphiles

- 11:20-11:35 Emmanuel Cadot / Nancy Watfa, Université de Versailles
- 11:35-11:50 Geoffroy Guillemot, Université Paris Sud
- 11:50- 12:05 Martin Presselt, Jena University
- 12:05-12:20 John Errington, Newcastle University
- 12:20-12:35 Lee Cronin group, University of Glasgow
- 12:35- 12:50 Thomas Quanten, KU Leuven
- 12:50-14:00 Lunch
- 14:00-17:00 Round table discussions
- 17:00-17:30 Conclusions (Lee Cronin, T. Parac-Vogt)
